## **ABOUT US**

The **Marahrens Group** is a family-run company founded in 1949 by Heinrich Marahrens in Bremen, Germany.

The company specializes in production, sales and the installation of signs of any kind.

Three business divisions cover all facets of the signage:

- Global Sign Solutions Industrial signage and advertising technology
- Maritime Sign Solutions Maritime signage
- Safety Sign Solutions Safety signage and work safety

The group of companies is currently being owner-managed by the second and third generation.

The company employs around 250 people in total at four locations.

Janina Marahrens-Hashagen

(Managing Partner / CEO)

Jan Christian Hashagen (Managing Partner) ff Collaborating with **Marahrens**, we successfully created a comprehensive signage database for our entire fleet. This has streamlined the process for our crew members, enabling them to effortlessly reorder supplies, which are then **delivered directly to the vessel** at agreed-upon rates. We are thrilled with the outcome, as it has significantly reduced the need for urgent calls from our crew to track down these essentials. - Manager, Cruise Line
